As fellow enthusiasts we are very pleased that you are now considering joining us. The Club is now well established with a membership of over 600 world-wide and still growing.

Our aim is very simple: To make the ownership of your Francis-Barnett as enjoyable and rewarding as possible and keep the F.B name alive even though production ceased in 1966 by:

1. Keeping a library of manuals and spares catalogues which can be photocopied to assist member's restorations.
2. Producing a quarterly magazine devoted to F.B matters e.g. rides, rallies, exhibitions, spares and histories etc.
3. Dating and ageing services and/or assistance in allocation of an age related number.
4. We aim to create groups throughout the country.
5. To hold an annual gathering incorporating the Annual General Meeting.
6. We have a Spares Officer, who has built up a holding of cycle and engine stocks, although some spares are virtually unobtainable, the club does make every effort to help.
